Township Register

49 YEARS OLD — FRIDAY, MAY 14, 1937 — NO. 20

AROUND *the* TOWNSHIP

Guess we gave Niles a jolt last week with the school story.

For the benefit of those who were offended by it, we want to say that we are wholly and solely responsible for the story. No one "put us up to it". School authorities knew nothing of the plan.

While the stunt was undoubtedly cruel to those parents who read the first few lines and became panicky, we believe it was the only thing that could have been done to really make the taxpayers conscious of the desperate need for a new building.

Careful check of the town last week showed that the bond issue was due for defeat, largely because most people did not realize that the need for a new building is really acute.

Although some folks may not forgive the Township Register for some time, we hope they will remember their fright when the polls open next Tuesday.

* * * *

D. R. Rees observed a birthday this week. We don't know how old he is, but he can't be very far along with all that youthful enthusiasm he displays. We don't know anyone in the township who is so unselfishly "sold" on his own community and who devotes so much whole-hearted thought to contributing his enthusiasm to others.

* * * *

Free ad: Eat Mrs. Dan Marble's pie and think you are in heaven.

* * *

Eugene Pashote, our Newark correspondent, sent us the following item this week:

NEWARK—A. L. Silva discovered his basement with four feet of water last Sunday morning. He did not know whether he had an artesian well in the basement, or whether it was water from the heavy rains. Apparently Mr. Silva had not been in the basement for several months. The fire truck was ordered by Chief Pashote to pump the man's basement out. Chief Pashote estimated about 3,000 gallons of water in the basement.

* * * *

One of the surest signs of spring up at Irvington is the sight of Doc. Pond and Joe California girding their loins for the amateur skating championship. Doc. Pond had a shade the better of it last year but Joe says he has been practicing up on the side and will give Doc a real fight this season.

In Our Township Garden

BY PAUL DOUGHERTY

The Salinas Valley

Last week we drove San Luis Obispo to the State Future Farmer Convention. The outstanding feature on this journey is the Salinas Valley. Structurally it is a narrow trough between folds of the Coast Range. For more than a hundred miles it stretches, parallel to the ocean but shut off from it by high mountain walls. The Salinas River sprawls its gravelly bed over much of the valley floor, reminding us of the Montana cow-boys' rally yell, "Powder River, a mile wide and an inch deep". This ridiculous up-side-down stream which nowhere at this season runs enough water to float a boat, provides its valley and bench lands with a magnificent, unfailing, underground water strata for pumping, perhaps the best in California.

Salinas Valley must hold some sort of a record for wind. Going south your car usese almost no gas, but coming north you more than make up for the free ride. We don't see how they can do it, but folks around King City seem to

Newark Agog Over Strange Death Of Naked Man On Thornton Avenue Monday

NEWARK—Excitement prevailed in Newark all day Tuesday following the finding of the nude and mutilated body of Charles O'Keefe, draughtsman at the California Chemical Plant about a mile north of Newark on Thornton avenue. A dozen or more officers from the District Attorney's and the sheriff's office together with reporters and cameramen from all the Bay section daily papers and such local residents as could take the day off for assisting in solving the mystery of O'Keefe's death milled about the town.

At first thought it seemed that O'Keefe had been the victim of a murderer. The seeming lack of bodyily injuries except a cut from the knee of the left leg to the groin and the faft that sufficient blood was not on the highway at the point the body was found led ofirers to believe O'Keefe had been murdered at some other place and his body dumped on the highway in front of the O. Street dairy. An autopsy performed by Dr. O. D. Hamlin, county autopsy surgeon late Tuesday afternoon however divulved the fact that practically every vital organ in O'Keefe's body had been crushed or punctured, any one of which would have caused death and the body was still full of blood.

Officers, while not entirely giving up the murder theory; admitted that it looked very much like a case of hit-run driving and a search is now on for the car which struck O'Keefe as he ran down the highway nude.

The story, reconstructed by piecing together details seemed to

(Continued on Page 6)

SERVICES HELD FOR PIONEER MISSION RESIDENT

MISSION SAN JOSE—Funeral of Antonio Jacintho Rodrigues, a resident of Mission San Jose for the past fifty years, was held from the Berge Mortuary Monday, May 10. with mass at St. Josephs church, Mission San Jose, and burial in the Mission San Jose cemetery.

Mr. Rodrigues passed away at an Oakland hospital where he had been for the last year. He was 84 years of age and leaves a wife, Mrs. Mary Rodrigues, and three nephews, Mr. M. H. Brown of Mountain View, Frank and John Brown of San Jose.

CHAMBER OKEHS GAS TAX MEASURE

NILES—Resolutions indorsing a bill introduced at the state legislature by Senator William F. Knowland regarding curtailment of the use of gasoline tax revenue and asking for amendment No. 28 to the state constitution were passed by the Chamber of Commerce at their weekly luncheon meeting at the Florence restaurant Monday. The bill provides that the gas tax revenue shall be used for maintenance and construction of roads and bridges only. It provides that no more than 20 per cent of the one-cent tax may be borrowed for certain other purposes but must be repaid.

A letter from Leslie Freeman of San Leandro regarding development of a deep water project at San Leandro was tabled as it did not state what body was sponsoring the project.

Letters were also received from the Livermoe rodeo and the Hayward rodeo asking the Chamber of Commerce to enter a float in the rodeos to be given in May and June. The chamber decided to take no action on these requests. W. B. Kirk, president was in charge of the meeting.

NEWARK PLAYS COLORED GIANTS

NEWARK—The Newark Merchants were forced to rest Sunday because of an error of booking games by the California baseball maangers association. The Newark Merchants will play the California Colored Giants next Sunday, at Newark, the best colored team in the state. They have on their team three ball players who have played with the St. Louis Blues. Newark has six ball games in advance.

The story of the two ball players of Newark this week is:

1. Manuel Fontes, of Mission San Jose, is playing ball with Newark this season. He played for Newark in 1935, in the Oakland Tribune Tournament. Manuel this year played two games at third base in the absence of Ed Rose, and did very well. We want to give him credit for handling that position as nicely as he did.

2. Manuel Azevedo, of Alvarado, is catching for Newark this season. Azevedo is the only ballplayer on the Newark team this season so far that has gotten a home run, and not over the fence either, but into deep center field. He must of had his wheaties that day.

CENTERVILLE FOLK AT TRACK MEET

George Emerson, Sr., accompanied his sons, George and Jim, and John Dusterberry to the track meet at Stanford Saturday.

HELLWIG NAMED SUPERVISOR

NILES—Word of the appointment of George Hellwig, prominent Alvarado business man,, to the post of county supervisor was received late yesterday.

Hellwig will serve as appointee to the late Ralph V. Richmond's chair.

Hellwig will serve as appointee untilthe next general election in 1938.

He is a native of Alvarado and has been in busines there ever since completing his schooling in San Francisco.

CAPT. EIKE SUCCEEDED BY CAPT. RAY FRANKS

NILES—Captain Louis A. Eike, for 12 years in command of the Alameda County State Highway Patrol was transferred to the patrol's civil department office in Oakland this week, according to notices in metropolitan papers. An order signed by E. Raymond Cato, chief of the Highway Patrol, places Captain Eike in charge of warrants, files and correspondence in the Oakland office. He will be succeeded by Captain Ray Franks of Plumas County.

No formal charges were filed but it is understood that members of the patrol complained to Sacramento that they were not "getting a square deal from the captain".

Captain Eike has been a peace officer in Alameda County for 23 years. From 1914 to 1925, when the State Highway Patrol was organized, he became a county patrolman and when the county squad became a part of the State patrol, Eike was made a captain.

COITS TO HAVE FAMILY DINNER

Mr. and Mrs. George Coit will entertain with a family dinner party next Sunday.

VOTE FOR SCHOOL BONDS

"EDITORIAL"

Pettiness should have no part in the vote on the Niles school bond election.

The principal argument of those opposed to the bonds seems to be that the parents of some children who attend the school pay no taxes.

Apparently these objectors are willing to deprive their own children and those of their tax-paying neighbors to spite those less fortunately situated.

This peanut attitude is pretty poor spirit.

The tax on the average home owner will be less than 10 per cent of his annual tobacco and liquor bill.

And the average home owner will lose much more in the long run if he lets the bond issue be defeated.

Home property in Niles will become harder to sell if the Niles school has the reputation for being unsafe and and overcrowded.

When property is hard to sell, its value declines.

Many people think that, by putting up the bond issue to the district, the school trustees will escape personal liability for any accidents that may occur subsequent to the election.

This is not true. Perhaps they will escape, perhaps not.

No careful man is going to put himself in the way of such a possibility.

School trustees deserve the support and backing of of their district. Being trustee is a thankless job at best. If trustees receive no support, the entire district suffers.

LIONS NAME FAIR CHAIRMEN

CENTERVILLE-Chairmen were appointed for the Washington Township Fair to be held in August at a meeting of the Lions Club this week, as follows: H. E. DeLeon, general chairman; Loren Marriott, secretary; directors, Allen G. Norris, Chick Santos, Frank Madruga, Joe Jason; grounds, Erle Hygelund; parade, Joe Adams; concessions, Chick Santos; decorations, M. S. Almeida; advertising and publicity, Allen G. Norris. This committee will meet soon to appoint full committees.

E. B. Hodges reported a full statement will be made by the incorporation committee at the next meeting. Jack Greeley served as chairman of the evening and the speaker was Lou Gee Kern, manager of the telephone exchange in China Town.

The club adjourned from the Black and White restaurant to the high school for the St. Mary's rally. Walter Horning and John Brown were local guests.

GUILD OBSERVES MOTHERS' DAY

NILES—A mothers' day program combined with celebration of the birthday of the director, D. R. Rees, marked this week's meeting of the Arts and Crafts Guild. A large attendanle marked the affair at the Belvoir Hotel said to be one of the most enjoyable yet given. Mrs. Kate Sladek was general chairman and the program was as follows:

Flower arrangements, paintings by Ethel Grau, vocal numbers, Mrs. Lawrence Bunting, Jr., accompanied fy Mrs. Dwight Thornburg; poem by Mrs. Nelle F. Myers; "Mother, My Dear," a song written by Mrs. Sladek and sung by John McCormack, victrola record; vocal numbers, Miss Dorothea Ormsby, accompanied by Mrs. Chamberlain; dresses our mothers used to wear, pictures and comment by Miss Dorothea Ormsby; mother takes elocution, Miss Elizabeth Shinn; how mother used to practice, Harry Salz; community singing.

Following the program two birthday cakes were served with ice-cream in honor of Mr. Rees' birthday.

The next meeting will be at the home of Dr. and Mrs. Grau and will feature miniatures in art, music and literature and flower arrangements.

MILLERS VISIT CLEAR LAKE

Mr. and Mrs. Henry Miller and family spent a week-esd at Clear Lake recently. They made the trip up in four hours.

REV. DAY URGES BOND SUPPORT

In response to the Register's request, the Rev. Richard C. Day of the Niles Congregational church has written the following:

By Richard C. Day
Pastor, Niles Congregational Church

You ask my opinion regarding the proposed bond issue to be voted on this month, for the erection of a new school building for the local district. Will say that I am in favor of it.

Because my citizenship in the community is indeterminate and because I am not as yet directly a tax-payer and thus liable to share in the responsibility of meeting these bonds, I hesitate to go on record in the matter. But my interest in the life of the community and the well-being of its children compels me to favor the proposal. While I am in principle, opposed to debt, I am aware that there are many things we cannot have and do which ought to be had and done without going into debt. The only questions to be considered in such case are the value of the ends we seek and our ability to discharge the debt when due.

The answer to both these questions so far as this community is concerned and in this connection is favorable.

The present building in which our school is housed is obsolete, inadequate, and has been condemned as unsafe and must be replaced, or repaired at considerable cost immediately. A new building to meet the growing needs, provide reasonable safety to life and limb of our childhood, secure for the educational program the best equipment possible, enhance the attractiveness of this community as a place for superior homes, seems not only desirable but urgently needed. And because of these things being realized it is reasonable to assume that the money value of every holding in the community will be greatly increased. The solvency of the district is beyond question, the bonds would be gilt edge investments and the small increase in the tax rate to meet interest and retirement of the bonds would not become a greater burden than the burden of doing without the new building. It seems to me taking everything into consideration, every public spirited citien of the district should vote favorably upon this particular proposition.

Many proposed bond issues ought to be turned down, but not this one. And the future can very fairly be asked to assume some measure of responsibility for a thing of such decided advantage and profit to the future which the voting of these bonds will secure.

Niles Parent-Teacher Groups To Sponsor Plan To Build New Grammar School Bldg.

NILES—The Parent-Teachers Association of the Niles Grammar School endorsed the $100,000 bond issue to build a new school in Niles, at a meeting of the association on Tuesday. E. D. Bristow, principal, addressed the group and pointed out numerous reasons why the building should be replaced. The election is to be held on Tuesday and polls will be open at the school from noon to 7 o'clock. The Parent-Teachers Association urged all voters to support the bond issue.

Mrs. O. W. Edright, health nurse, stated the annual pre-school round-up would pe on May 29. Dr. E. C. Grau will be at the school at 9 o'clock to give a free examination to all children who will enter school for the first time next Fall. All mothers are asked to bring children for this examination.

A committee was appointed to arrange for the annual party for the eighth grade children. Mrs. Roland Bendel is chaiman and will be assisted by Miss Celeste Bunker, Mrs. Joe Zwissig, Mrs. Ben Murphy and E. D. Bristow.

Mothers who can assist Miss Gertrude Keller with sewing for costumes for the annual operetta are asked to notify her.

Miss Marie Curran stated that dues are now due for the association. Money derived from dues is expected to supply funds for the budget of 46.75 which was adopted for the meeting. The cafeteria supports its own budget of $1,500 to $2,000 and this past year has also paid for free lunches and free milk served under-par children.

DON'T FORGET TO VOTE NEXT TUESDAY

Polls open at 12 o'clock Noon.
Polls close at 7 p. m.
Polling Place:
Niles school auditorium on first floor

SARAMENTO TO RUN FOR SCHOOL POST AT WARM SPRINGS

WARM SPRINGS—Mr. Edwin Saramento of Warm Springs has announced his candidacy for the position of trustee of the Warm Springs Grammar School in the forthcoming election. Mr. Saramento, who has lived in Warm Springs for some time, declares that his record as a public spirited citizen will be his only platform.

He believes a school trusteeship requires a fair amount of time from the person who holds that office and declares that, if elected, the district will not find him wanting in this respect.

EASTERN MAN JOINS GRAHAMS

NEWARK—Expansion of facilities and personnel has been taking place at the Jas. Graham Mfy. Co. plant at Newark recently.

The plant has a new superintendent in the person of W. T. Bradbury. Mr. Bradbury comes from Pennsylvania and is one of the leading stove production experts in the country.

He expects to move his family out here in a short time.

MRS. FRANKLIN ENTERTAINS

NILES—Mrs. C. H. Franklin entertained her sister Miss Jacqueline Eubank of San Francisco during the week-end.

SGT. CULL IN TRAINING

Staff Sergt. James Cull and Private Herbert Carr, member of Observation Aircraft Squadron No. 8, United States Marine Corps reserve, are on annual 15 days active training duty at the naval air base in Oakland.

Alvarado P.-T. A.—2nd Thursday of the month.
Rebekahs—1st and 3rd Fridays, I. O. O. F. Hall.

PEA PICKERS GUILTY OF THEFT

NILES—Because attorneys so stipulated, the trial of Frank Guerra of Hayward on a charge of attempting to commit petty theft in connection with cards punched to denote number of hampers of peas picked on the A. F. Vargas ranch at Warm Springs, was entirely without testimony at Judge J. A. Silva's court last Friday. The case was presented by argument of Deputy District Attorney Stanley Smallwood representing the prosecution and Deputy Public Defender Raymond Ferrario representing the defendant. Guerra was found guilty but due to the fact that he had been in jail a week, sentence was suspended.

Centerville Personals

K. C. INITIATE EIGHT MEMBERS

The Centerville Knights of Columbus initiated eight candidates into the local lodge and 10 from other lodges at a meeting last week. New members are Manuel Baptista, Anthony Rivers, Bernard Joseph, Antone Amaral, Manuel Alameda, Jr., John Cattaneo, J. L. Furtado, Anthony J. Silva. George Kommes, grand knight and E. J. Pimentel had charge. Refreshments were served after the meeting.

RETURNS FROM EUREKA MEETING

Frank T. Dusterberry returned Wednesday from Eureka where he paid an official visit to the K. P. Lodge there.

K. P. INITIATES SIX NEW MEMBERS

The Centerville Lodge of Knights of Pythias initiated six new members into the local lodge this past week.

SMALL FIRE AT PERRY HOME

The Niles fire department extinguished a small fire at the Perry home on Third street Wednesday afternoon. Damage to roof and ceiling of a wash shed was estimated at $25. Fire is thought to have started from ignition of gasoline being used to clean clothing.

FIREMEN CRANE AT MISSION MEET

Clarence Crane of the Niles Fire Department attended a meeting of the Mission San Jose department Tuesday night.

A. J. ROSE RECOVERING

A. J. Rose, popular proprietor of the Palm barber shop, is up and around now after eight months illness. He expects to be back in his shop soon.

BORGES FUNERAL HELD TUESDAY

CENTERVILLE—Funeral services were held Tuesday morning for Manuel Borges. 54, formerly resident of Centerville and for the past four years a resident of Santa Clara county. The deceased, a native of St. George Island, the Azores, is survived by two sisters, Mrs. Sarah Ferry of Centerville, and Mary Silva of the Azores, also a brother, Mike Borges of Manteca. Services at the Chapel of the Palms were followed with mass at the Holy Ghost church and inferment at the Holy Ghost cemetery.

NEGRO PLEADS GUILTY TO CHARGE

Gus Jackson, Negro of Irvington, pleaded guilty to being drunk after a hearing before Judge Allen G. Norris Friday. Due to the fact that he had been in jail a week, sentence was suspended.

NIGHT SCHOOL HAS CLOSING PROGRAM

Approximately 150 persons attended closing exercises of the Centerville Night School. After a program in the auditorium, refreshments were served in the visual education room. Principal Barton Webb had charge. The feature of the program was the presentation of a Spanish play in costume by members of the Spanish class.

SWAINSONS IN LOS ANGELES

Mr. and Mrs. Owen Swainson, were in Los Angeles last week attending a Post Graduate assemblage of Beauty Cultivation in the many varied educational functions of the 1937 semester. The Swainsons are ever alert to take advantage of every opportunity to increase their ability to serve the Beauty needs of their steadily increasing clientel more scientifically. They also visited friends in Hollywood and Lon Beach while in the south.

K. C. MEMBERS IN OAKLAND

Eight new candidates of the Centerville Lodge of the Knights of Columbus received the second degree at a meetinp of Magellan Lodge in Oakland Wednesday night. On Saturday they will receive the third degree at a meeting to be held at the C. I. O. building.

Masonic Home News

by JAMES H. HEATH

MASONIC HOME, May 3. This was a happy week-end for Mrs. Grace G. Davis as it marked the observance of her 83rd birthday and making a total of 21 birthdays celebrated while a member of the home family. Her husband, Chas. H. Davis, a ship joiner a member of Naval Lodge Vallejo, passed on at the home several years ago.

A native of Oakdale, Mass., Mrs. Davis, came to California 49 years ago with Oakland as her place of residence before coming to the Decoto home. Mr. Davis has two children, Mrs. Gertrude Belle-ordy and Edna, wife of Dr. S. S. Smith of Oakland. She was visited by the former, and family on Saturday her natal day, and by the latter and family on Sunday, when covers were laid for ten persons at a birthday dinner in her room at the home.

Mrs. Davis has an interesting story of the changes in the development of the home since her arrival in July, 1916. She recalls that the membership at that time could not have been over 100, as compared with 350 at this date. Fifteen tables, five to a table, were ample in the dining room service as compared with 68 tables at this time. For ten years she was the forelady of the sewing room, a position now held by Mrs. Cornelia Bernstein. Then, as now the job includes the service rendered the various delegations visiting the home for fraternal visits and picnics. In the early days, Mrs. Davis remarks, the delegations were larger, often numbering five or six hundred. The guests were often times seated at picnic tables under the trees.

LIONS CLUB PLANS FLOAT

CENTERVILLE—The Centerville Lions Club is the first to be listed in entries for the Hayward Rodeo parade to be held in connectiin with the 18th annual event in Hayward on May 22 and 23. A float will be entered by the Centerville Lions. The Niles Junior Chamber of Commerce also voted at this week's meeting to enter a Niles float.

JUNIORS HOLD LADIES NIGHT

NEWARK—The Newark Junior Chamber of Commerce held their ladies night at Butler's Hotel last Saturday night. After the dinner, Joe Machado chairman of the evening started the program off by having a few words from some of the members. Joe Pashote, with a slide-picture talking machine showed the picture, "Educating Dad", which was a Plymouth advertising picture. Manuel Mathews with his magic set showed a few tricks which were very interesting. The hill billies played for the rest of the evening while the people enjoyed themselves dancing. The attendance turned out to be greater than was expected.

TOYON SLATES TENNIS MATCH

NILES—An exhibition tennis match between various champions of this and other counties will feature the program at the annual garden party of Toyon Branch of the Children's Hospital at the home of Mr. and Mrs. J. C. Shinn tomorrow. The affair will begin at 11 o'clock with lunch to be served at noon, a program of music and other numbers at 2 o'clock and the tennis match at 3 o'clock. The public is invited and there is no admission.

Booths will offer for sale home-cooked food, white elephants, mystery packages, candy, etc. There will be a grab bag, pony rides and other attractions for the children.

Miss Elizabeth Shinn is general chairman and is being assisted by several committees. The garden party of Toyon Branch each year is regarded as one of the most enjoyable social affairs of Washington Township. Numerous guests are expected from surrounding towns.

Those to take part in the tennis match are Miss Ruth Koehle, Santa Clara county singles champion, also doubles champion with her sister, Naomi Koehle; Claire Worsted, women's singles champion of San Joaquin county and top player of the San Jose tennis club; Walter Davis, inter-school champion of the peninsular and Jack Rees of Washington Union High School.

NILES CONGREGATIONAL CHURCH

The speaker for next Sunday morning, May 16 will be Mr. O. B. Paulsen of the Hayward Union High school faculty.

Mr. Paulsen is one of our able young educators, and author of accepted educational text-books. He is widely informed and deeply interested in the contribution religion can and must make to the culture of our modern life. He will have a message worth hearing.

He will speak on the subject, "The Religious Backgrounds of Culture". You are cordially invited to attend this service.

Rev. and Mrs. Richard C. Day, left Monday morning for a short trip to Southern California, where they will visit their daughter, Mrs. Irving R. Allen and family. They will return from Los Angeles Monday, May 17.

GUEST EDITORIAL

ELEVEN YEARS AGO
The Beginnings of the Niles P.-T. A.
By Mrs. C. E. Martenstein

We had known for some time that a Parent Teacher Association was needed in Niles. We particularly wanted a cafeteria so that the children could have hot lunches. But none of us mothers felt that we should undertake the organization without authority to do so. As a consequence, the President of the Country Club, Mrs. August May, was asked to appoint a committee. She named Mrs. E. A. Ellsworth and Mrs. E. B. Hodges and asked me to take the chairmanship. Mrs. Bendel, the incoming President of the Club, was a member ex officio.

We conferred with the Principal, the teachers and the school trustees to see if they wished a P.-T. A. started. When we found that they were in favor of it we decided to call the mothers together and set about the organization.

I remember so well that first meeting. It was on April 23, 1926 and there were 34 of us present. Mrs. J. E. Squire was there, the Extension Chairman of this district, and she gave a very helpful talk explaining the advantages of colse cooperation with the national organization.

At our second meeting the officers were elected—Mrs. J. E. Townsend, President; Mrs. C. E. Martenstein, Secretary; Mrs. James Fallon, Treasurer. And the cafeteria committee was appointed,—Mrs. Martenstein, Mrs. Harvey Braun, Mrs. McGowan, Mrs. Solon and Mr. Bristow.

We met with the trustees and they were heartily in sympathy with our plans. Then, and all through the years, we have had the closest cooperation from the trustees and the faculty and that is the real reason we have been able to accomplish what we have.

The trustees immediately arranged for work to be started on building and equipping a cafeteria in the school basement. The Niles Chamber of Commerce agreed to help with the milk fund.

Work progressed during the summer and at the first fall meeting, when we inspected the basement, I remember that things were far enough along so that we could be served refreshments in the new cafeteria. And by September 17, work was so nearly completed that we gave a benefit card party there. Mrs. Ellsworth was chairman of that and it was a grand success, both financially and a "get acquainted" feature.

Regular service started in the cafeteria September 20, to a capacity crowd, 90 to 100 every day. Mrs. Caferty was the kitchen helper and the members volunteered to do the buying and also help, as needed, with the serving.

Under Mrs. Plumb, the second President, the membership grew. We gave another card party and cleared $90. It was during this year that the first Thanksgiving treat was given to the school children. And we began at this time to give free lunches and milk to the needy children. In this we were helped by all of the teachers, but especially by Miss Inglis.

Well, we were off to a good start. Even the depression didn't stop us. The work has gone steadily forward under the leadership of the presidents, Mrs. Harvey Braun, Mrs. E. A. Ellsworth, Mrs. Roland Bendel, Mrs. Myrick, Mrs. Zwissig and Mrs. C. H. Franklin.

1936 was a very busy and successful year. At the May luncheon for the Niles Chamber of Commerce they served 56. In November they were hostesses to the P.-T. A. Council. They gave the December dinner for the Niles Junior Chamber of Commerce and their January dinner, too, which was given in the Legion Hall. They also joined with them in the Christmas party for the children at the Niles Theatre.

Miss Inglis, of the faculty, was given a Life Membership. $20 was donated to flood relief. $5 was given the Niles Boy Scouts. A play, dealing with the history of the Niles P.- T. A., written and directed by Mrs. Bendel, was presented by all of the past presidents.

The total number of lunches served at the cafeteria during the year was 5,370; the number of free lunches 449; more paid lunches and fewer free lunches than in 1935.

NOTICE OF ELECTION FOR ELEMENTARY SCHOOL TRUSTEE

(School Code Section 2.873)

PLANS MADE FOR COUNTY FAIR

NILES — Southern Alameda County residents are packing Pleasanton in its bid for the Alameda County Fair which it is hoped will be held this year. The Pleasanton race track, said to be one of the four best in the world is being stressed as a drawing card for the fair in this end of the county, also that this is the agricultural center of the Bay section.

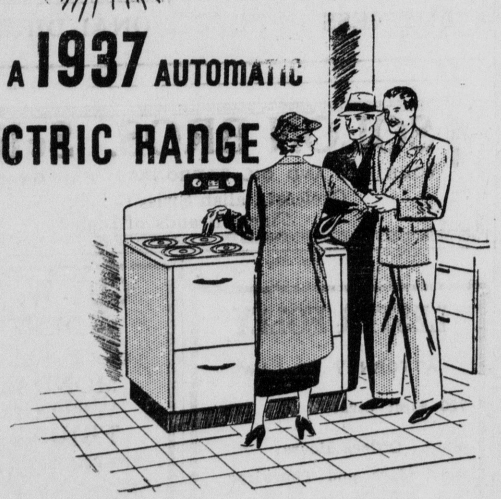
GO MODERN ELECTRIC

WITH A 1937 AUTOMATIC ELECTRIC RANGE



HERE'S NEWS of really modern housekeeping technique—of miracle cookery by automatic time and temperature control.

With a completely automatic 1937 electric range you can get your meal ready in the cool of the morning. Meat, potatoes, vegetables and maybe cream puffs for dessert. Put everything into a cold oven.

You set the automatic oven timer. Hours go by. When it is time to start the dinner cooking, the oven turns itself on. That evening, without your ever needing to peek or watch, this entire dinner is deliciously cooked and ready to serve.

You should be enjoying this magic electric cookery. Electric cooking rates are low. These new electric ranges are low in cost. Right now, too, you can save money through a special campaign offer good this month only. Act now.

SAVE $15.00

This month only you can save $15 on a completely automatic range that sells for $139.50 or more.

MOSQUITO MEN TRACE VISITORS

NILES—A few Aedes squamigers were seen in Irvington during the latter part of April, flood refugees from the sections at the lower end of Alameda Creek.

Now, to the uninformed, might come mental pictures of men, women and children, carrying their belongings in packs and forming a tent colony on the outskirts of the city. But you are all wet, so were the marshes—thereby hangs the tale.

Aedes squamigers are mosquitoes and the above information comes from the April report of the Mosquito Abatement District just issued by Harold F. Gray, engineer.

Mr. Gray also broadcast the news that absence of mosquitoes in this district at this time of the year is due not only to the efficient work of Roland Bendel and his crew of mosquito eradicators but to the fact that absence of the usual northerly winds to a great extent prevented the migration of Aedes squamiger adults which crossed the straits from McNear's Point to Point Orient on Thursday, April 15, dropping in for a call at Berkeley but forgetting to pay their respects to the country cousins of erudite citizens of the college town. This small flight probably came from the marshes in Marin County between McNear's Point and St. Vincent's Orphanage.

We also apparently missed the usual spring migration from the Petaluma Creek marshes which may be due partly to the lack of timely northerly winds and probably also to oiling work reported to hafe been performed by the Sonoma Mosquito Abatement Distict with funds provided by Sonoma County. In any event, the flight was small and caused but little annoyance, according to all reports.

Mr. Gray's report reads further: "In general, where flooding was wide-spead and of any depth, one or more feet, little breeding occurred, as wind made the water surface too rough to pemit mosquito larvae to breathe at the water surface. What breeding has occurred has been in shallow aeas separated from the main body of flood waters.

"Considerable breeding of Theobaldia incidens has been found toward the end of April, in hillside pools and in pools life by the receding streams, as well as in containers of water of all types. This confirms our suspicions that the disposal of tin cans and garbage by surrepticious dumping along hillside roads in the sparsely built-up areas has been a source of mosquitoes as well as an eyesore and general nuisance.

"During April two showings of the District's motion picture, with accompanying lecture, were made before audiences totalling 925 persons.

"A campaign designed to eliminate 'backyard' mosquito breeding was begun with the cooperation of school departments and Boy Scout troops. Announcements were read to all Berkeley, Oakland and Alameda school children and a reminder to clean up mosquito breeding places was broadcast over station KRE. Scout troops of the Oakland and Berkeley area councils agreed to institute community clean-up projects as part of their activity.

A total of 110.3 cubic yards of ditches were constructed during the past month; 17,151 feet of ditches and sloughs maintained and 954 acres of marshes and swamps oiled; 57,010 feet of creek, ditch and drains were oiled; 5,285 acres of marsh were inspected; 72 places entered complaints; with the following monthly expense:

Salaries and wages,	$2164.30
Motor vehicle supplies	42.54
Office supplies	13.19
Communication and transportation	36.94
Rents	8.00

Other materials, repairs, service, etc. brings the total to $2729.28.

MRS. HARVEY HOSTESS

ALVARADO—Mrs. E. S. Harvey was the hostess to 14 members of the Alvarado Farm Home Department recently. Mrs. Maryetta Holman, home demonstration agent brought many samples to demonstrate the project, "kitchen color and equipment". A report was given on the whist held at the home of Mrs. A. V. Rose. Plans for a picnic to be held in the near future were made. Miss Mary Hughes won the monthly prize. Refreshments were then served.

Around Hayward

with

Nell Farrington Myers

This is the time of year when we are filled with thouphts and memories of departed loved ones. It is fitting that we pay tribute with flowers, and flags and tears upon the little mounds in city and country cemeteries.

But there are times in this rushing scene when we are not privileged to give this personal service in respect to our loved ones, and we wish to place some fitting memorial to mark and perpetuate the memory, and to mark the resting place for all time to come.

There is no better way to pay lasting tribute to our dear ones than in enduring maryle or granite, fittingly engraved with your own sentiments, and figures, written in stone. Drive North to Hayward City line and a short way out, drop in to see Mr. J. K. Nissen, you will find Respectfulness, and understanding, he will be plad to show you his display of stones and markers at prices to suit everyone.

Mr. Nissen is a craftsman in the art of inscriptions in stone, and he completes every last detail, to the placing of the monument in your family plot.

DUDE MARTIN COMING SUNDAY

NILES—The Niles theatre will present Dude Martin and his Nevada Night Herders next Sunday at a matinee beginning at 1 p. m.

This will be the first bill of an exciting theatre week at the local show house.

On Tuesday, May 18, the miniature automobile will be gipen away. The Shirley Temple doll, also to be given, is arousing as much interest as the automobile says William Helm, theatre manager.

Wednesday and Thursday will see "The Last of Mrs. Cheyney" famous stage comedy with Joan Crawford, William Powell and Robert Montgomery.

Screene will be on Saturday as usual.

REBEKAHS TO MEET TONIGHT IN NILES

Two candidates were initiated into the Niles Rebekahs Lodge at their last meeting. Mrs. Fred Mitte, Mrs. Jean LeCome, Mrs. Lydia Millett and Mrs. Mohn were in charge.

Sorensen Bros. Funeral Directors

Kraftile Field Meet Proves Lively Affair

NILES—The Kraftile employees held their first Annual Field Meet on their Athletic Field Saturday afternoon before a capacity crowd. Contests were held for the boys to show their skill and speed, namely a 75 yard dash, fungo soft ball hitting, best time circling the bases, and accuracy in throwing. About twenty to twenty five men entered in each event. These contests were followed by a softball game and refreshments and special feats of strength.

The 75 yard dash was won by "Duke" Dutra in a blanket finish with Forrest Snyder second, and Clyde Langland third,—time 8:0 seconds. Due to a false start not called back by the starter, Snyder and three others ran an extra heat in the race. Snyder surprised the sepctators by pushing "Duke" the whole distance. The finish was so close that it was tough on the judges.

The fungo soft ball hitting contest was won by E. Silva with a mighty clout that hit the road. This contest puzzled the Pencil Pushers who couldn't understand why the No Star and Star Glazer heavy strikers, who all but tore the cover off the ball in games with Pencil Pushers, couldn't fungo bat the ball out of the infield.

The best time for circling the bases was made by Russell Dyer with time of 12 seconds; Nash Aprey second with time of 12:2; Duke Dutra third with time of 12:6.

The contest for accuracy of balls from second base into a small barrel at home plate, uncovered some unknown talent. This contest was won by "Ducky" Burr who threw one out of three into the barrel. Two non-ball players, Joe Mesquite and Jim Stanhope, were next best by hitting the barrel twice each but were unlucky in not having the ball go in.

A special unscheduled sliding contest was put on by C. Kraft and Nash Aprey. This was won by Chuck Kraft with a spread eagle of 12 ft. 9 in. and the loss of 3.3 sq. in. of hide. Nash was a close second with a distance of 12 ft. even and a loss of 2.9 sq. in. of hide.

MISSION PLANS HOLY GHOST

MISSION SAN JOSE—The annual Holy Ghost Fiesta will be held at Mission San Jose this week-end, beginning with fireworks, dancing, etc., Saturday night and continuing through Sunday and Monday. The parade and coronation of the queen will be on Sunday morning. There will be carnival attractions, auctioning, dancing and other entertainment.

LADIES AID TO HOLD SALE

The Ladies Aid of the Newark Presbyterian Church will hold a food and an apron sale on Friday May 21 at the Newark Presbyterian Church.

What is the "Low-price Field"?

YOU hear a lot about "the low-price field" these days. A good many cars claim to be in it.

So whenever the low-price field is mentioned, remember:

Until Ford came, no average American could own a car.

Today all Ford prices are still low — with the prices of the 60-horsepower Ford V-8 $30 to $60 lower than those of any other car of comparable size.

But with Ford, "low price" doesn't merely mean low figures on the price tag. It means much more than that. It means low prices and low costs all the car's long life. Low prices for service — for parts — and, above all, for operation.

Both Ford V-8 engine sizes are economical to operate. The 85 horsepower gives greater gasoline mileage this year than ever, and the "60" delivers the highest mileage in Ford history.

Private owners, cab companies, fleet operators all report that the "60" averages from 22 to 27 miles per gallon of gasoline.

Check and see how much Ford saves you.

Ford Founded the Low-price Field
Ford Keeps That Field Low-priced Today

Ford V-8 Prices Begin at $529

AT DEARBORN FACTORY. TRANSPORTATION CHARGES, STATE AND FEDERAL TAXES EXTRA

This price is for the 60-hp. Coupe equipped with front and rear bumpers, spare tire, horn, windshield wiper, sun visor, glove compartment and ash tray.

Ford V-8

$25 A MONTH, after usual down-payment, buys any Ford V-8 Car from any Ford dealer in the U. S. — through Authorized Ford Finance Plans of Universal Credit Co.

SOLALITY BUYS MISSION PROPERTY

The Rosarian Sodality has purchased an Album to place Old Mission De Guadalupe for visitors to sign their names.

HOLD FIRST COMMUNION

First Communion was given to the children of the Parish Sunday morning at the St. Joseph Church.

MANY ATTEND SONORA RODEO

Many local people attended the Rodeo at Sonora.

RODERIGUEZ RITES MONDAY

Funeral services were held Monday morning at the St. Joseph church for Antone Roderigues a native of Portugal. Surviving him is his wife.

WILLIAM ENOS RECOVERS

William Enos Jr. will resume his studies on next week at the Irvington school.

For the past three weeks he has been convalescing from an appendicitis operation which he underwent at the Alameda Sanitorium. Dr. Dawson having attended.

IRVINGTON CHAMBER PLANS PARTY

A skating party to be given on May 12 is being planned by the Irvington Junior Chamber of Commerce. J. R. Silveira is chairman of arrangements. Hockey games, boxing matches, etc., on skates will be included in the program. There will be balloons, noise-makers, confetti, serpentine and plenty of whoopee.

IRVINGTON TEAM WINS GAME

The Irvington Grammar School baseball team met the Centerville team on Monday. They were victorious with a score of 14-3. The line-up was as follows:

get used to the wind and manage to keep going in spite of it.

A Go-Ahead Country

About Salinas we noticed that lettuce is no longer handled from the fields to the packing house in small wooden crates, similar to our spinach crates. In place of these crates, we noted that the popular method of handling the lettuce was with trailers which were pulled through the lettuce fields for loading and then assembled into little trains pefore starting for the packing sheds. Other companies use large, removable steel cages, 4 or 5 to a truck. Both methods keep the truck or tractor on the move, the trailers or cages being dropped at once in the packing yard upon arrival.

Beans were being planted everywhere from Gonsales to San Lucas, and the tender green of the first leaves was showing over thousands of acres. Uncle Sam must surely have a lot of bean eaters! Many new pumping plants were being installed through this area.

Farther South, about San Ardo and Bradley, grain looked remarkably well. This district grows its crop mostly on summer fallowed land, and it evidently had made a steady growth from the first rains.

Out of the Woods at Last

T. B. tests now being completed in our Township show little or no reactors. Our dairymen have been through a heartbreaking ordeal, cleaning up the herds in this district, which a few years ago were about half tubercular. If we can now keep from bringing in stock from areas not yet cleaned up, we can look forward to clean, healthy herds, and be rid of the loss and decreased production which the disease used to levy on our herds. Best of all, our children and young people, will be free from the danger of infection which existed in the past.

BENDELS TO ATTEND CLASS RE-UNION

Mr. and Mrs. Roland Bendel will attend a 23th reunion of the class of 1912 of the University of California on May 22 and 23. They will be present at the annual luncheon at the campus on the 22nd and the picnic to be held on Sunday near Mt. Diablo.

LOCAL REBEKAH GIVEN HONOR

Mrs. Fred Mitte of Niles was recently installed as treasurer of the Alameda County Association of Past District Deputies of Rebekahs at an Oakland meeting attended by ten from here.

LOCAL DELEGATE TO SACRAMENTO

Mrs. Catherine Parry of Niles will leave Monday for a week's stay in Sacramento as delegate from the local Rebekahs to the

VISITOR TO CALIFORNIA

On Friday last week, the Farrington family were happily reunited with a member of their family whom they had not seen for 15-years.

Robert B. Lowry an executive of the Hooker Chemical Co. of Niagara Falls N. Y. arrived from Tacoma Wash. where he has been occupied for the past several weeks installing chemistry equipment etc. in a million dollar plant there.

Mr. Lowry is the husband of one of the Farrington sisters, and was much impressed with California, and especially the wonderful Canyon.

On Saturday Mr. Lowry escorted by the members of the family took a trip over the Bay Bridge and viewed the many wonders of the Golden Gate area.

"But not to be overlooked, said Mr. Lowry, are the beautiful flowers and fine vegetables grown here—out of season".

BENDELS AT OAKLAND DINNER

Mr. and Mrs. Roland Bendel attended a dinner party at the home of Mr. and Mrs. Fred Butler of Oakland Sunday night. The affair was to honor Archie Butler who has recently returned from a long stay in the East.

MRS. SHINN ENTERTAINS CLUB

The Eastbay Drama Club held its annual picnic in Mrs. J. C. Shinn's garden last week. Mrs. Minnie Faegre Knox, chairman, presided at the meeting and Mrs. Paul Bovard read "High Toy".

CAESARI TWINS TO SEE THE WORLD

Harry and Morgan Caesari of the Niles-Mission Road sailed recently to the far corners of the world. Harry is aboard the Mariposa Matson liner enroute to Australia, New Zealand and other points and Morgan is on a Dollar liner bound for the Orient.

SON IS BORN TO PETER GARCIAS

The infant son of Mr. and Mrs. Peter Garcia of Decoto is in an incubator at the Silva Maternity Home, progressing nicely. The baby was born on May Day, and weighed 4½ pounds.

Mrs. Isabell Farrington was a Niles visitor last week, home for the day from the Cottage Hospital at San Rafael. Mrs. Farrington enjoyed a dinner party given in honor of Mr. Glen R. Mohn whose birthday it was. The whole family were in attendance.

NEWARK AGOG OVER MYSTERY

Continued from page 1

be as follows:

O'Keefe had been working at the Chemical Plant for about three weeks. He was laid off last Friday because his work was finished. He was well-liked and efficient.. He roomed with Mr. and Mrs. Grace of Newark but was asked to leave because of habitual drinking, otherwise being a well-manared, well-liked person, the Grace's said.

He took a room at the Butler Hotel. On Monday night, he told George Butler, proprietor, he felt very nervous and planned to take a bus to San Francisco the next morning. He was not intoxicated at 9 o'clock Butler said.

About two o'clock, Orrin Heatherington, rooming next to O'Keefe, stated he heard O'Keefe run out of the building yelling. He went in ti his room and found no one there. O'Keefe's clothes were in the room, indicating he had left unclothed as he had only one suit of clothes with him both Butler and the Graces testified. Neighbors along Thornton avenue reported that they had heard a man yelling, "Help me, they are trying to kill me". He is thought to have been the man that rang the bell at the Paul Gygax home and at the Bolyard home next door about 2 o'clock, asking for help but begging them not to call officers.

Motorists reported to the bridge tender, Richard Shaw of Menlo that they had seen a nude man running along the highway near the Dumbarton bridge. Shaw telephoned Deputy Sheriff Tom Silva at 2:45 and Silva and Don Bates, Centerville nightwatchman, found the body on the Centerville-Newark road, was still warm and bleeding freely. Deputy Coroner Dallas Paul at Centeville was called and he came for the body, taking it to the Chapel of the Palms. The body was identified by Butler a little later.

Under-sheriff Hugo Radbruch of Pleasanton, O. W. Ebright of the Haywad office, and various officers of Oakland were assigned to the case. Thorough investigation proved that O'Keefe had no known enemies, had no women friends that might have furnished motives for a murder, had been a man of quiet demeanor, exceptional ability with excessive drinking as his only fault. He has five brothers, one in Palo Alto and several in San Francisco. The body was removed Wednesday from the Chapel of the Palms to a San Francisco mortuary and an inquest was held at Hayward yesterday morning.

LEGAL NOTICES

SCHOOL BOND ELECTION NOTICE

NOTICE IS HEREBY GIVEN to the electors of Niles School District of Alameda County, State of California, that in accordance with the provisions of the School Code of the State of California governing such elections, an election has been called to be held, and the same will be held at the place hereinafter designated in said Niles School District of Alameda County, State of California, on Tueday, the 18th day of May, A .D., 1937, from the hour of twelve o'clock noon of said day until the hour of seven o'clock P. M. of said day, during which period of time the polls will be kept continuously open, at which time and place there will be submitted to the electors of said Niles School District of Alameda County the question whether or not the bonds of said school district shall be issued and sold to the amount of One Hundred Thousand Dollars ($100,000.00) bearing interest and payable as hereinafter specified, for the purpose of raising money for:

The building or purchasing of school buildings;

The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs;

The supplying of school buildings with furniture or necessary apparatus of a permanent nature; and

The permanent improvement of the school grounds.

All of the foregoing purposes for which bonds are hereby proposed to be issued and sold are hereby united and shall be voted upon as one single proposition.

The said bonds hereby proposed to be issued and sold will be of the denomination of One Thousand Dollars ($1,000.00) each and will bear interest at the rate of not to exceed four per cent (4%) per annum, which interest shall be payable annually for the first year said bonds are to run and semi-annually thereafter.

The said proposed bonds and the interest thereon will be made payable in lawful money of the United States of America.

The said proposed bonds are to be numbered consecutively from one (1) to and including one hundred (100).

That said proposed bonds are to be issued and sold to the amount of One Hundred Thousand Dollars ($100,000.00) and are to mature as follows, to-wit:

Five (5) of said bonds shall mature in each of the years from and including 1938 to and including 1957.

That the principal and interest on said bonds will be made payable at the office of the Treasurer of the County of Alameda, State of California.

That for the purpose of said election the said Niles School District of Alameda County is hereby designated and established by said Board of Trustees of Niles School District of Alameda County as one election precinct, the boundaries of said school district being the boundaries of said election precinct, and co-terminous therewith.

That the polling place hereinafter mentioned is hereby designated and selected by the Board of Trustees of Niles School District of Alameda County as the place within said Niles School District of Alameda County, State of California, where such election must and will be held.

That the following named persons named as Inspector and Judges of said election are hereby appointed by the Board of Trustees of Niles School District of Alameda County to act as such officers of said election, and as such will conduct the same; each of said persons being a qualified elector of said Niles School District of Alameda County, State of California.

That the following is a description of the polling place and a list of the officers of said election above referred to and mentioned.

Polling Place

The Auditorium located on the First Floor of the Niles School Building located on the southwest corner at the intersection of School and Second Streets in the unincorporated town of Niles, County of Alameda, State of California, in the said Niles School District of Alameda County, State of California.

Officers of said Election

Inspector .....Mary L. Solon
Judges .....Emma C. Alves
Annie W. Dutra

That said election is to be held in accordance with the provisions of the School Code of the State of California, governing such elections.

IN WITNESS WHEREOF, we have hereunto set our hands this 19th day of April, 1937.

Thos. B. Murphy
Joe D. Gomes
Harry T. Tyson
As and comprising all of the members of the Board of Trustees of Niles School District of Alameda County, State of California.

Attest:
Harry T. Tyson
Clerk of the Board of Trustees of Niles School District of Alameda County, State of California.

First publication in Township Register, Friday, April 23, 1937.

I HAVE PAINS IN MY MUSCLES AND PAINS IN MY HEAD, INSTEAD OF OUT SHOPPING — I SHOULD BE IN BED
I USED TO SUFFER THE SAME WAY UNTIL, I FOUND QUICK RELIEF IN AN ANTI-PAIN PILL
ANTI-PAIN PILLS BEYOND QUESTION, RELIEVE - BUT DON'T CAUSE INDIGESTION
DR. MILES' -ANTI- Pain Pills

Did you ever take a medicine to stop headache and have the headache stop and a stomach ache start?

We'll wager you didn't take an Anti-Pain Pill. Anti-Pain Pills do not upset the stomach. They take effect quickly too—and they taste like wintergreen wafers.

You can't do good work—you can't have a good time when you are suffering from
Neuralgia Headache
Muscular or Periodic pains

Why don't you try the Anti-Pain Pill way to relief? We believe you will be delighted with the results. Thousands of others are.

It will not cost much. Anti-Pain Pills sell for one cent each, (less in Economy Package) and one pill usually relieves.

Get Anti-Pain Pills at your Drug Store. Regular pkg. 25 for 25c. Economy pkg. 125 for $1.00.
